many thanks indeed

i am due to fly in with my son arriving FLL Monday the 8th at 5pm but he is 17 and perfectly happy to fly on his own

so if you are suggesting a much earlier departure to West Palm Beech, no problem

i would treasure some quality time with you

all best

i am in New Jersey now doing my Foundation taxes and moving north to New Brunswick for a couple of days and then NYC to see my latest grandson—i will be in FLL Monday until Wednesday back to Jamaica; would love to spend some time with you—alone among my friends you have gone trough as much as i or worse but we have rarely discussed the details; was VERY low for a couple of week in Jamaica—suicidal, that is to say, homicidal, making a rank-ordered list of whom i would kill or first; couldn't imagine anyone on your list besides perhaps a lawyer (one on my list) but then i don't really know you

spend some time dealing with jobs and job opportunities, CUNY perhaps, U of Kentucky at Lexington, Oklahoma in Stillwater (kind of hard to imagine, although it is a completely open-carry state so you'd be armed against them

all best to you, what about that island of yours?
